# BLUE BOOK '57

A black and white photograph of the interior of St. John High School church. The view is from the back of the sanctuary looking towards the altar. The church has a high, vaulted ceiling with intricate Gothic-style arches. The altar is ornate, featuring a large crucifix in the center, flanked by two large stained-glass windows. Above the altar, a large mural depicts a religious scene. The pews are filled with students, mostly seen from the back, looking towards the altar. The floor is covered with a diamond-patterned tile. The overall atmosphere is solemn and formal.

## DEDICATION

Through our school years so many outstanding privileges have been granted us and so many changes in the Liturgical Laws for time to come; that these will be poignant years in our life.

The Marian Year with the many indulgences offered us.

The Feast of the Assumption adopted as a dogma in our Church.

The Queenship of Mary recognized by a certain day - - - May 31.

Our pastor Joseph V. Coyle invited into the royal house of the Church-invested as Rt. Rev. Monsignor.

The changing of fast regulations which enables so many to receive the Blessed Sacrament much oftener. This act alone shows that you, your Holiness, are a great humanitarian.

The changing of Easter rites seem to bring us more in union with the Years of Our Lord here on earth.

With your blessing we dedicate our Yearbook to you Holy Father -  
Pope Pius XII.

**His Holiness Pope Pius XII**

Most Rev. Joseph H. Albers DD., J.C.D.  
Ordained June 16, 1916-St. Peters Cathedral,  
Cincinnati.

Elevated by Pope to very Rev. Monsignor-1926

Consecrated Bishop December, 1929. Celebrated  
Silver Jubilee as Bishop September 19, 1954 at  
which time he was elevated by Pope Pius XII to  
Assistant to Pontifical Throne.

We regret the loss of our former pastor, Rt. Rev. Mgr. Joseph V. Coyle who came to our parish in 1946. He was invested as Monsignor in November 1955 and in June 1956, he retired due to ill health.

Rev. George Higgins came to us as pastor in June 1956. He was formerly pastor of St. Charles Parish in Coldwater, Michigan.

FATHER JAMES W. LEE after graduating from St. Mary's High School in Flint, began his priestly studies at Sacred Heart Seminary, Detroit, and completed them at Mount St. Mary of the West in Norwood, Ohio. He was ordained in 1948. Father Lee came to St. Johns in 1955 from Resurrection Church, Lansing.

FATHER ELMER WEIBER'S first appointment was St. John, Jackson in 1954. After graduating from Fowler High School in 1942, he entered St. Josephs Seminary in Grand Rapids, being later transferred to Mount St. Mary in Cincinnati, and finishing his theological studies at St. Johns in Plymouth, Michigan. He was ordained on June 5, 1954.

Dear Mom and Dad,

As you scan through these pages you will see that this book has a special dedication, but Mom and Dad we know that the book really belongs to you. It is only through you that we are able to compile it and in these efforts we want to show you that we do appreciate the advantages you have given us.

In this letter we wish to thank you for everything, and though we are slow to show our feelings, we really do love you very much.

### CLASS POEM

For twelve years we've waited for this year to come,  
We've hoped that time would hasten and our honors be won,  
But as the time approaches and we see the end is near,  
We realize it's only the beginning- and we feel a fear.  
We think how we've been shielded and our lives so guarded have been,  
We close our eyes and wonder- are we prepared for this thing?  
Now we beg for courage, and look ahead, and trust  
That the direction we received in good St. John's will guide each one of us.  
A prayerful wish we offer, that each in our class reach his goal,  
That our tutors and all who helped us, will be proud of their roll,  
That we'll make of ourselves men and women, who Alma Mater will call  
"The Class of 1957 ----- Best of All."

## BLUE BOOK ADVISOR

Every year the annual blue book staff is lead in its endeavor to publish its book by one of the mothers of our class. This year we have chosen Mrs. Leonard Butts. Even though we know what we want in our book we need a watchful eye and persuasive courage. This is just what we have received.

Thank You-Mrs. Butts-Thank You.

# ACKNOWLEDGEMENTS

Dear Reader:

We, the Blue Book Staff of 1957, wish to list here the persons to whom we shall be eternally grateful.

To start with, we wish to thank you, the reader, for purchasing this book. We are sure that you will get much enjoyment out of your book.

Mrs. Leonard V. Butts, our advisor, for her generosity, cooperation, and encouragement, we owe a great big thank you, also to Mr. Butts who gave us much help on our photography.

Mr. Bob Utter, who probably just heaved a big sigh of relief, we wish to thank him for the great job he did in showing us the do's and don'ts for this Blue Book. Myers & Company, Inc. also deserve a big hand for doing a fine publishing job.

To our faculty who assisted us in helpful suggestions and arrangements, we are very grateful.

Also here we want to mention and thank Mr. Walter Strathman of Dunhanna Studios, Mr. Henry Bohl, who took some of our pictures, and the persons who advertised in our book.

Last but by no means least, we want to thank the Staff for their great cooperation with us on this job.

We want to take time here to wish good luck to next year's Blue Book Staff.

Humbly yours,

John McCaslin, Editor  
Jean Gale, Co-Editor

LITTLE JESUS -Francis Thompson

Little Jesus, wast Thou shy  
Once, and just so small as I?  
And what did it feel like to be  
Out of Heaven, and just like me?  
I should think that I would cry  
For my house all made of sky  
I would look about the air  
And wonder where my angels were;  
And at waking 'twould distress me—  
Not an angel there to dress me.  
Hadst Thou ever any toys,  
Like us little girls and boys?  
And didst Thou play in Heaven with all  
The angels who were not too tall,  
With stars for marbles? Did the things  
Play 'Can you see me?' through their wings?  
And did Thy Mother let Thee spoil  
Thy robes, with playing on our soil?  
How nice to have them always new  
In Heaven, because 'twas quite clean blue!

Did Thy Mother at the night  
Kiss Thee, and fold the clothes in right?  
And didst Thou feel quite good in bed,  
Kissed, and sweet, and Thy prayers said?

O Thou canst not have forgotten all  
That it feels like to be small:

Then, take me by the hand and walk  
And listen to my baby-talk  
And say: "O Father, I, Thy Son,  
Bring the prayer of a little one."

## HENLEY and NEWMAN give us the HISTORY OF THE CLASS OF 1957

In September 1945, twenty-six little first graders entered the immortal heights of Saint John Academy to begin the years of the Class of 1957. As Sister Eleanora greeted her class she found seated before her—Pat O'Dowd, Frances Kramer, Rosalie Masters, Jerry Smith, Mary Henley, Jim Daly, Dennis Crowley, Carole Forner, Jim Duffy, Tom Fleming, Ed Horrigan, Al Kellogg, Mary Gulliford, Rita Johnson, Richard Deraedt, Mike Campbell, Mary Milley, Peggy O'Dowd, Mike Mosson, Bob Stewart, Bob Wolken, Dan Newman, Richard O'Connell, Robert Watson, Roger Winn and Donna Gianella. With her helpful care we completed what was known to us as a successful year.

Sister Jean Anne greeted us the second year of study and the same class with the addition of Theresa Sprangle and Tom Smith was present. How can we forget the 1-2-3-Swing and Pinchie Whincies?"

Our next year was a memorable year under the supreme direction of Sister Marie Roberts. Rickard Kinstle, Albert, Robert, and Richard Herrera and the 245 lb. star fullback of the St. John Midgets, Ron Clauss joined us in making the year slate complete.

Making butter with Sister Marie Gonzaga as our teacher, was a project undertaken during our fourth year. Tom Wisda and John McCaslin were new students this year.

Sister Maurlene started us in the fifth grade but due to illness we were transferred to the care of Sisters Vincella, Ethel and Vivian. Three sections made up our class but we managed to steer through and be together again for our sixth year with Sister Josepha teaching us the real meaning of being in society and how to live with and work in a social world.

Sister Francis Cabrini was our pilot for the seventh year and in this year Charles Moran made his entrance. It was a pleasant acquaintance and has continued to be through the years. Fred Johnson made his appearance this year and to our sorrow he was not on the list the next year.

Kings and queens of the first floor was the way we thought of ourselves in the eighth grade. Sister Robertus was in command this year and she will always be remembered because of her will to make us better Christians. In this effort she sometimes had to impress us by throwing an eraser or two. Nancy Nanry and Bill Loughlin helped steer our ship this year.

The year 1953 marked that ever important point in our life. We ascended the stairs (some of us way up to third whew!) as greenhorn freshmen, into a new and for most of us a complicated life. Because of the increased population, we were divided into two classes. The new pupils were: Phil Ambs, Irene Anuszkiewicz, Paul Berry, Allen Bidol, Pat Bissot, Joe Breiger, Pat Bullinger, Joanne Butts, Bob Chmielewski, Stan Chrapek, Mary Lou Crowley, Tom Daly, Dave Drongowski, Ann Duffy, Jean Gale, Pat Gallagher, Carol Harper, Janice Juckett, Dan Konkel, Jim Lefere, Julie Spencer and Leonard Soltis.

One-half of our class was with Sister Alexine and the other half with Sister Lucia. We found studies very hard at first but as the year progressed we learned to master our difficulties and all in all, we got through with little trouble. We will always have our little memories that will produce a giggle like the day we waited for Sister Alexine to return from her little walk to Quarry

Street.

The next year under the guiding assistance of Sisters Evangelista and Rosanne we put on the boots of sophisticated sophomores. This year we were permitted to display our talents as hosts and hostesses of the Senior-Sophomore Breakfast. Our real giggle this year comes from Sister Rosanne sending Joe Brieger out of the room, but Joey was not in school that day.

Juniors at last and in OUR NEW HIGH SCHOOL and were we important figures! We had new members in our class - Tom Delaet, Janet Forner, Janet McCully and Tom Miller. Sister Marcelline and Sister Raphael were our homeroom nuns and with their kind direction we were taught the real importance of being Juniors. This year marks a very colorful point in our school-life - our class rings - we felt so much like real people picking out our own rings in September 1955. We sponsored many dances this year, endeavoring to make enough money to cover expenses of the big social event of High School - The Junior-Senior Prom - and if we do say so ourselves we had a fine Dinner-dance with the theme "Sidewalk Cafe a la Paree!". Honors Assembly was a mark in events this year.

On September 5, 1956, we registered at dear old St. John High and we were SENIORS, dignified seniors. Fred Johnson was back again as a member of our class. Sister Marie Aimee and Sister Jane de Chantal guiding our classes made us confident that this would be our most successful year. We were fortunate ones in having Mother M. Hiltrude as principal.

This year started out with a bang, the bang of flash bulbs at Dunhanna's Studio, Sleek hair, shiny noses, stiff collars and snow white sweaters made the entire senior class appear saintly. When proofs were passed out everyone breathed easier - no bill for broken cameras.

November 4 of this year was ever so glorious. The bell in the school peeled tones of victory - the DUFFY JUG was in our possession. Our football team had beaten our cross-town rivals for the first time in four years.

December 7 was a day of solemnity. All high school students accompanied the seniors to Church for the blessing of our class rings. Prayers were said and hymns were sung honoring our Blessed Lady for the feast of her Immaculate Conception.

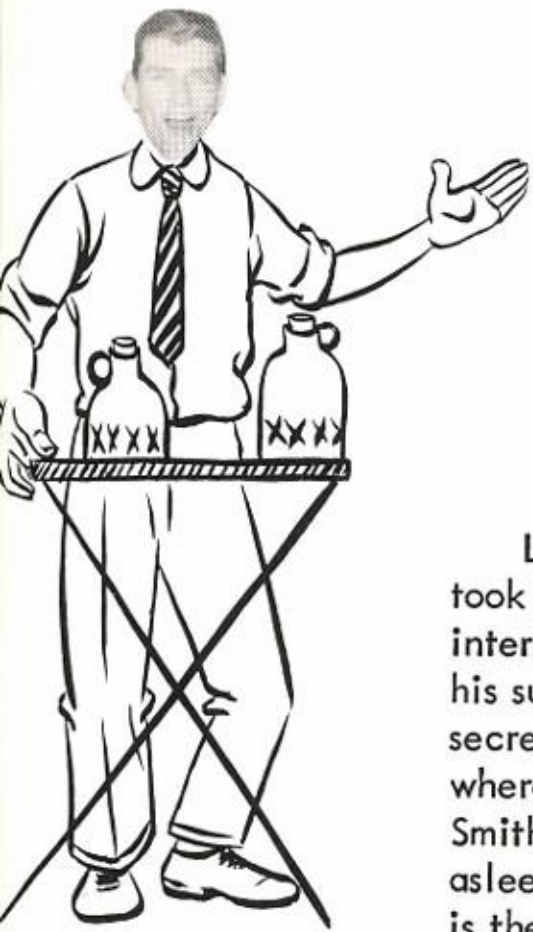

Something entirely new - the senior girls sponsored a formal dance "The Winter Whirl." This dance was held December 28 and was a very pretty party and was so well conducted that they may try again.

Other activities are new this year, the Student Council and Pep Club. These groups are working well and we hope that in the years to come they will be respected forces in high school.

We are making graduation plans, ordering invitations, being measured for caps and gowns and maybe stealing to the corner to dry a tear or two - so that the others will not think us odd. We are told that Father Higgins has set aside June 2, 1957 as our Graduation Day. Many events will take place between now and that date but our record-of these events will have to be left to our memory because at the time we are compiling these facts we are asked to place our "Finale" a little early in the year so that the Blue Book Staff can have our copy by their due date for the last deadline.

# CLASS PROPHECY

Like a flash, I hopped on my jet-powered carpet and took off for New York. The first one I looked up was the internationally famous surgeon, Dr. Bob Watson. He and his surgical technician, Joanne Butts and his traveling secretary, Patricia Gallagher, had just returned from Mars, where Bob had made an examination on Mars Premier, Tom Smith. They are still trying to find out what made Tom fall asleep in Physics class. Incidentally, the First Lady of Mars is the former Mary Milley.

While in the big city I saw Carmen-Donna Gianella plays Carmen - she's doing great. I met Mr. and Mrs. Tom DeLaet, she's the former Peggy O'Dowd. They enticed me to stay over and see and hear Nancy Nancry who is starring in Aida. Tom has quite a business. He has developed a new way to get Olds 88 hubcaps for 55 Chevvies. What's his secret?

I headed west towards Chicago, but was carried adrift on the edge of a tornado. I landed in Ireland, so I looked up Ed Horrigan, a fine Irishman if ever there was one. Ed, our class president back in '56 and '56 is president of a large corporation manufacturing shamrocks. He was set up in business by his friend Dick Kinstle, who won the Irish Sweepstakes back in '60. Ed took Irene Anuskiewicz as a laboratory technician and she encouraged Janice Juckett to take the wonderful opportunity as secretary in that big plant. Ed told me that Jim Lefere graduated from Notre

Dame and was working as a governmental genius trying to curb inflation. His wife the former Mary Lou Crowley is a test driver for the Buick Division of GM.

Once again I started for the midwest but fate changed my plans and I made a forced landing at the intersection of Leroy and Cooper streets. Who was there but old "Wild Bill" Loughlin, he finally made it through those glass doors.

As long as I had landed here, I decided to buzz downtown and see some of the old gang. I started toward Michigan Avenue but heard a siren. I was ordered to the curb by a minion of the law. As the officer stepped toward my car, a familiar face, that of Pete Soltis, showed. He smiled and said "excessive noise." He should know, he got plenty of tickets while in high school. After leaving him I went downtown. I was hungry so I stopped in a restaurant and who do you think the cook was? Mary Henley, known the country over for her fine culinary art. She said she had just purchased the place from Carole and Janet Forner, who had inherited their ancestors' dairy business. Outside I met Tom Fleming, the great hunter-gracious he's still telling that story about stabbing that animal seventeen times.

Naturally I had to stop at Tubbs' and the feature attraction was the "Nationally Famous Pool pair"--Dennis! the menace! Crowley and Tom! Dizzy! Daly. After chatting a bit, they told me to get myself over to St. John's gym to see the basketball. Big Nite--the Holem Globtraitors - Al, Bob and Dick Herrera and company starring Tom Miller, the hurdler, known as the 'Form and Technique.'

As I headed out of town via the bypass, I saw a great crowd of people gathered around two cars - as I came closer I recognized Dan Newman and Mike Campbell, getting set for a hot drag, listed as the "Bombay Buick" versus the "Powerslide."

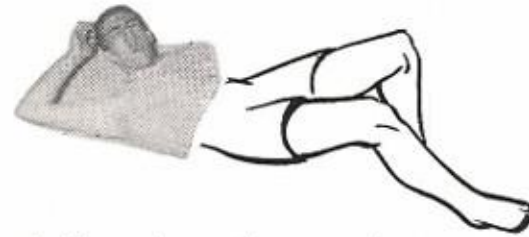

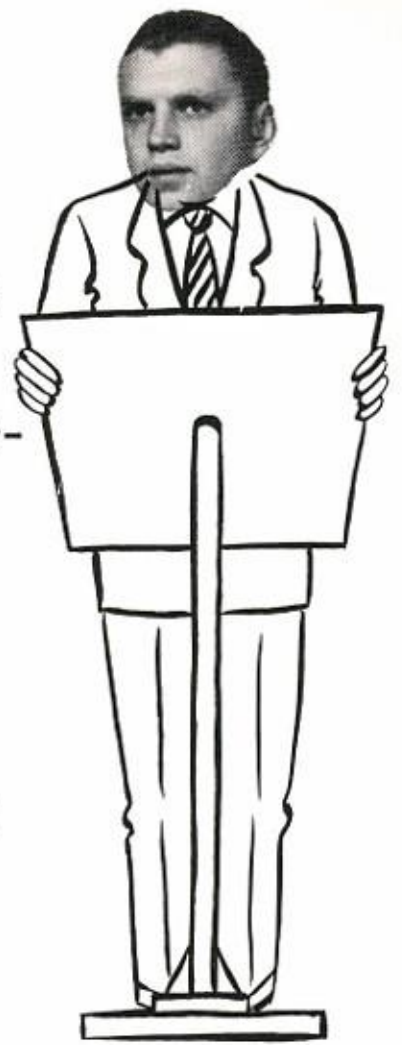

I wished I could stay but time was speeding too. I noticed my petrol gauge was low so I pulled into the nearest station, Dick and Bob's Super Service - well, well, Dick O'Connell and Bob Stewart. They have a rare petrol. They make it. They mix something and water. I said fillerup and I started for the state capitol. I hurried to the administration offices to see Jean Gale and Rita Johnson--top administrators of this state of confusion, pardon me I mean Michigan. They invited me to a meeting of the legislature. They said I would be surprised and I was. I listened to the State Fire Marshall Fred Johnson. He was speaking on the sidelines of the fire departments, such as reweaving burnt topcoats. They have several specialities.

## CLASS PROPHECY III

Fire Chief from Jackson Leroy Station Robert Wolken was with Freddie, he was showing pictures. I had quite a long talk with Freddie and he told me that the men from Leroy Hill station spend about one-third of the time fighting fires at Grandma Sprangle's house. Theresa's twelve children stay with grandma while Theresa works at the grocery where her husband works. The kids are all arsonists. Freddie was full of news, he said that last week he presented Carol Harper with her golden record for the millionth sale of her newest recording of 'Grandma's in the Cellar.' The record is hot stuff, that's why Freddie handled it. He said he heard from Roberta LeFreniere and she is teaching French at PS 40 in New York City and she rooms with Ann Duffy. Ann is a Powers model you know. The one who really slays me is Rosalie Masters. She has her own traveling show. She is the only person who has been successful in replacing all the paste in the new flexible tube.

Say! How long have I been on this canvas? The last thing I remember is glancing towards Marge to see if she was watching me fight. Boy! does that Champ Allen Bidol pack a mean left! O my jaw!
